ArthVANCE<sup>®</sup>  
Suture  
Management

The logo for ArthVANCE Suture Management features a stylized teal 'A' with a checkmark-like shape integrated into its left side. To the right of the 'A', the word 'ArthVANCE' is written in a grey sans-serif font, followed by a registered trademark symbol. Below this, the words 'Suture' and 'Management' are stacked in a smaller, grey sans-serif font.

# ADVANCED SUTURE MANAGEMENT

RZ ArthVANCE suture instruments offer the latest technology for arthroscopic shoulder surgery:

For a perfect Rotator Cuff Repair, the SMART HOOK gives best support; labral repair & capsule shift will be assisted by the SIXER who makes suture placement easy at the 6 o'clock position. The BIRDY will support you best possible for SLAP repair, labral repair and for rotator cuff repair.

## SMART HOOK

for rotator cuff repair

| 225-820-408  
BIRDY Suture Hook Forceps, straight jaws, 45° left bended

## Your Advantage: TWO OPERATING POSITIONS

RZ ArthVANCE suture instruments are made to offer perfect support for your surgery by featuring two operation positions in one instrument:

- 1) manipulate the suture
- 2) control / retrieve the suture
