DOWN PUSHING

259-155-207	7mm
259-155-209	9mm
259-155-211	11mm

Ergonomic ribbed handle enables safety grip and reduces reflection by a satin-black surface.

XL length handle for double-handed use, this allows more control and precise micro-dissectomies even for large patients. Lightweight design for effortless working.
